

WELCOME TO OUR OFFICE!

Thank you for choosing our practice for your orthodontic needs. This office wishes to maintain a humanistic approach to total orthodontic care. From your initial visit, to the completion of treatment, it is our sincere desire to develop a meaningful relationship. We are fortunate to have good people enter our practice and welcome you in joining us. It is our opportunity to justify your choice.

Every Smile Starts with an Initial Consultation!

Your initial consultation will give you the opportunity to meet our team and learn more about orthodontics. We schedule your initial consultation for one hour. During this time our team will review your dental and medical history forms, and determine your concerns and goals for treatment. Dr. Martin will complete a thorough examination, with digital panorex x-ray and photos and provide an explanation of the findings and recommendations for treatment. We will help you create a customized treatment plan and discuss all financial information, insurance options and payment plans.

Please find enclosed the following forms which we ask you complete and bring to your appointment. Having the necessary paperwork will help us to better assist you during your exam.

- ◆ patient "green" information form completed front and back, signed and dated
- ◆ HIPAA "yellow" form signed and dated
- ◆ responsible party identification and dental insurance cards
- ◆ If applicable, any recent panoramic x-rays taken of the patient

We treat each patient we see as an individual with a unique set of orthodontic needs. We offer unparalleled treatment to pediatric, adolescent and adult patients. We look forward to seeing you for your initial consultation.

Find us at the Waugh Chapel Towne Centre in the Founders Building.

We are located in the same suite as The Children's Dental Office.
